I BEG YOU, PLEASE!

If you just finished reading this pamphlet, it’s already too late.

God’s rules, not mine. Don’t shoot the messenger.

God accidentally made one sin irreversible without thinking. Tough luck.

Tell him of this way—now you can do God’s rules, not mine.

Tough luck.

Yeah. It’s an irreversible crime from anyone. Sorry. I didn’t think about it until after you said that.

I just read about the Holy Spirit “sucking” and looking at that Pacman picture I’m committing blasphemy.

I'm so regretful for my sins?

Mostly, yes! Except for the Holy Spirit.

Mark 3:29 states quite clearly that there’s no forgiveness for blasphemy the Holy Spirit.

What?!! I CAN’T BELIEVE THIS HAPPENED! GOD NO! THERE’S NO HOPE! ETERNITY IN HELL!?! GOD, FORGIVE ME!

IT WAS AN ACCIDENT! I DIDN’T KNOW!

Yeah. It’s an irreversible crime from anyone. Sorry. I didn’t think about it until after you said that.

It’s that simple. Ask any priest or Sunday school teacher. No take-backs. Game over.

Get over it and move on.

The Bible is really specific about the hopelessness of your situation right now. What’s done is done.
